Suddenly I feel your hand in mine (4x)

Bsus . . .

Suddenly I feel you leading me (4X)

Bsus . . .

Suddenly I feel your heart in mine (4x)

(Intersperse guitar sounds, there is a lot of room to play inside of this chord structure, an A5 chord every so often, or c# note swells in and out with lots of delay and verb are nice, play off the moment that your leader is feeling and following. This song is about creating dynamics while being led by the Spirit of God.)
